7th September 2020

Dear Parents/Carers,

I would like to take this opportunity to write to you again in response to the positive Covid-19 case in your child's class.

We really appreciate the support and understanding that you have shown school over the last 24 hours. We had prepared for this happening in school but didn't quite expect it to happen so soon. We know that it is frustrating and many of you will have to take time off work to look after your children. It is so sad that after only 1 day back at school, they are having to self-isolate again but we must follow the procedures dictated to us by local Government and Public Health England.

The family that have been affected by Coronavirus are obviously distraught. The child showed no symptoms and was innocently sent to school on Friday. Obviously, they are extremely upset that this has happened but it is important for us to remember that, and we send our love and best wishes for a full recovery to the whole family. Please remember that we are a community and negative comments on social media can cause much distress and upset for the family when they are already going through this.

In the words I often use with the children - If you can be anything in this world, be kind.

- If your child receives a free school meal, you will be contacted by Mrs Thompson today as you'll be entitled to a daily food parcel.
- Home Learning has been sent via email to all parents this morning – if you need anything printing, please don't hesitate to ask.
- You can contact their teacher on class3-homeworking@coateslane.lancs.sch.uk – she will be available to respond between 9am and 3.30pm Monday-Friday.

Please don't forget that we are here for every single one of you. We know that these are tough times but we need to work together to get through this. Please don't hesitate to contact school for anything you need help/support with.

My very best wishes,

Mrs White
