

YEAR 3

WEEK COMMENCING 19/10/20

Maths

This week we will be looking at the following objectives:

- To add three digit and one digit numbers crossing 10.
- To subtract a 1 digit number from a three digit number crossing 10.
- To add and subtract 2 and 3 digit numbers not crossing 100.
- To add two and three digit numbers crossing 100.

English Unit

The children will be completing their Paddington Bear stories this week, focusing on using question marks and contracted words correctly, as well as also thinking carefully about their vocabulary choices. Once this story is completed, the children will then be spending time writing a story about Paddington Bear independently. We will then be looking at editing and improving writing.

On Monday afternoon we will have PE, therefore the children need to come to school dressed in their PE kits. Please note that we will always aim to do PE outside where possible.

In Science we will be looking at shadows, identifying that shadows are formed when the light from a light source is blocked by an opaque object. We will be investigating the shadows that are created when shining a torch on different materials.

In PSHE we will be learning about managing feelings and emotions in different situations.

Spelling: Making singular nouns plural.

Miss Anwar

Miss Anwar will be teaching the following this week: In English we will be writing a poem linked to Halloween. In Maths, we will be continuing learning about time, focusing on hours and minutes. In History, we will be looking at what life like Barnoldswick was like in the past. In RE we will be looking at Jesus as a leader and reflecting on what makes a good leader.

Extras

Miss Anwar will be teaching the class every Wednesday.

My PPA will be on Thursday afternoon and Miss Anwar will be teaching the class.

Maths, grammar and spelling activities have been set on Active Learn.
