

Year 4 - Week Commencing 19th October 2020

Hello, it's the final week of term and on Friday the children are invited to dress up for Halloween so we can enjoy some Halloween fun in school. I will set online homework on Tuesday so If you find time to do it this week you will be all done for the holidays 😊

Maths

Children will:

- In Maths we will be applying all the methods we know to add 3-digit and 4-digit numbers. We will also be exploring the relationship between exchanging tens and exchanging hundreds.

English

Children will:

- In English we will be planning and writing an explanation text based on explaining to the younger children in school how to use the outdoor gym equipment.

This week we will be continuing with our learning in the foundation subjects and looking at the purpose of switches in Science before transferring this knowledge into Design Technology to create our working light designs.

Extras

Monday - In the afternoon will be continuing with our topic of electricity with a focus on different types of switches and how they work to stop the flow of electrical current.

Tuesday - Mrs Hoey PPA time - Mrs Anwar and Mrs Carter to teach RE and PSHE.

Wednesday -. In the afternoon we will be enjoying some Halloween crafts alongside our PE lesson.

Thursday - In the afternoon we will be attempting to make our light designs using LED lights, cardboard, foil and plastic.

Friday - In the afternoon we will be enjoying a class Halloween party before we break up for half term - Have a lovely half term.

Please ensure that your child brings their **Reading Record, Reading Book and Homework Diary in to school every school day**. Children will have the opportunity to change their reading books in class each day. Please look out for any homework written into homework diaries which will start to come home this week.

Kind regards, Mrs H 😊
