

## Year 1

### English

The children loved finding the dragon egg on Tuesday! We had some super discussions and they were so excited! We also thought about the story of Zog and learnt new vocabulary: keen, expert, captured, gleaming. This week we will focus more on this vocabulary and create our own glossary for these words. We will also focus on the comprehension of the story and answer questions based on the text. We will also continue to learn about full stops and capital letters.

### Phonics

We will be looking at the sounds: ow oi

Children have already done some of Phase 3 in Class R but we will be recapping this Phase as we need to be secure on this before moving on. If you want to practise these sounds at home, type in 'Geraldine Giraffe' into youtube followed by the sound that you want to practise. We watch Geraldine in class and the children love it!

### Maths

We will begin our new topic of 'numbers to 20'. We will be recognising numbers to 20 and exploring place value.

### Topic

The children are enjoying the Great Fire of London topic so much! We have just learnt about the story of the GFOL and why the fire spread so quickly. This week we will look at how people acted during the fire and explore Samuel Pepys.

### Home Learning

This week I have included an addition and subtraction board game to play at home! We have just finished this topic so the children should be able to play this with little support. You can email me photos of your child playing the game at home. Let me know who wins!

### Extras

- Muddy Monday is on Monday. Please send appropriate clothes as the weather is becoming cold and wet.
- P.E is on Tuesday so please send your child in their P.E kit.
- My PPA is on Wednesday afternoon which will be covered by Mrs Jones.
- Please remember to also read at home every day with your child.

Star of the week this week:

Halle MacGregor

For superb listening and concentration on the carpet. You have tried so hard this week and really stood out with your learning! Well done Halle you superstar!
