

Year 4 - Week Commencing 23rd November 2020

Hello, Well done to everybody who came to school in odd socks last week. We discussed how to identify bullying, strategies to deal with bullies and ways to keep our school bully free.

Maths

Children will:

- In Maths we will be practicing our problem solving skills with subtraction and unpicking problems to identify each step in a multi step problem.

English

Children will:

- In English we will be continuing with our Puss in Boots fairy tale and retelling the main events in the story.
- We will also be enjoying a hot seating session questioning the Princess and the Ogre and drawing inferences about their feelings from the story.

This week we will be continuing with our learning in the foundation subjects. Last week we got very wet following lunchtime on Wednesday. Please consider possible changes in the weather when choosing a PE kit as the winter months set in.

Extras

Monday - Mrs Hoey PPA time -Mrs Harper and Mrs Darcy to teach Geography and RE.

Tuesday - In the afternoon we will enjoy our History session and the focus this week is the plague doctors and the unsanitary conditions in London at this time in history.

Wednesday -. This will be our PE lesson and we will be continuing to work on trust and teamwork.

Thursday - In the afternoon we will be attempting to create a final piece of artwork using the skull sketches that we have worked on in the previous two sessions.

Friday - In the afternoon we will talk about how habits can have a positive or negative impact on a healthy lifestyle in our PSHE session before enjoying chill time.

Please ensure that your child brings their **Reading Record, Reading Book and Homework Diary in to school every school day**. Children will have the opportunity to change their reading books in class each day.

Kind regards, Mrs H 😊
