

Year 4 - Week Commencing 30th November 2020

Hello, I hope everyone has had a great weekend. We have an exciting week in school as the Reindeer are coming on Thursday!

Maths

Children will:

- In Maths we will be looking at problems that involve addition and subtraction. We will also continue to look at the inverse and logical ways to solve problems.
- Times tables will be a focus each week..

English

Children will:

- In English our lessons will link to a winter theme for the week. We will be exploring hibernation and migration and we will be writing a short poem about a hibernating animal. We will also be drawing on our experiences from the Reindeer visit to inspire a letter to Father Christmas all about meeting his Reindeer.

This week we will be continuing with our learning in the foundation subjects with a focus on Winter and our Reindeer visit.

Extras

Monday - In the afternoon we will be completing our skull Artwork before preparing our templates to make some felt robins.

Tuesday - Mrs Hoey PPA time -Mrs Harper and Mrs Darcy to teach Geography and RE.

Wednesday -. This will be our PE lesson and we will be continuing with our Outdoors and Adventurous unit or bench ball weather permitting.

Thursday - In the afternoon we will learning how to do blanket stitch before building our felt robins. This may take more than one session.

Friday - In the afternoon we will talk about how habits can have a positive or negative impact on a healthy lifestyle in our PSHE session before enjoying chill time.

Please ensure that your child brings their **Reading Record, Reading Book and Homework Diary in to school every school day.** Children will have the opportunity to change their reading books in class each day.

Kind regards, Mrs H 😊
