

Year 5 - Week Commencing 16th November 2020

Maths

This week, Year 5 will be:

Mastering Addition and Subtraction

Add and subtract whole numbers with more than 4 digits and decimals with two decimal places, including using formal written methods (columnar addition and subtraction).

Choose an appropriate strategy to solve a calculation based upon the numbers involved (recall a known fact, calculate mentally, use a jotting, written method).

Use estimation and inverse to check answers to calculations and determine, in the context of a problem, an appropriate degree of accuracy.

Solve addition and subtraction multi-step problems in contexts, deciding which operations and methods to use and why.

English

Genre: Stories with historical settings

Focus Legend: *Oliver Twist* by Charles Dickens

This week:

- Continue reading novel, banking and defining new vocabulary
- Participate in a discussion related to an issue from reading, e.g. *In 'Oliver Twist', is Fagin a hero or a villain?*
- *Making inferences around characters' dialogue and actions by drawing on evidence from the text to support their arguments.*

Theme

This half term, we will be exploring our theme, '**Food, Glorious Food**'.

History - The Anglo Saxons continued from Aut 1

Geography - The United Kingdom and the origin of foods we consume

Design & Technology - Plan and cook a selection of simple dishes that only use ingredients sourced locally or from within the local region, e.g. Lancashire (Block week in December)

PSHE - Health & well-being

Laptop week - E-Safety

Science - Material changes - reversible changes

RE - Christianity (God) - *Why is it sometimes difficult to do the right thing? Where can people find guidance on how to live their lives?*
