

Year 5 - Week Commencing 30th November 2020

Maths

This week, Year 5 will be exploring:
Addition and Subtraction
using statistics

Solve comparison, sum and difference problems using information presented in a line graph. Add and subtract numbers mentally with increasingly large numbers and decimals to two decimal places.

Choose an appropriate strategy to solve a calculation based upon the numbers involved (recall a known fact, calculate mentally, use a jotting, written method).

Select a mental strategy appropriate for the numbers involved in the calculation.

English

Genre: Stories with historical settings

Focus Legend: Oliver Twist by Charles Dickens

This week:

- Continue reading novel, banking and defining new vocabulary
- Gathering content and planning a new scene/chapter following a key event in the novel.
