

Year 5 - Week Commencing 2nd November 2020

Maths

This week, Year 5 will focusing on:
Addition and Subtraction

Add and subtract whole numbers with more than 4 digits and decimals with two decimal places, including using formal written methods (columnar addition and subtraction).

Choose an appropriate strategy to solve a calculation based upon the numbers involved (recall a known fact, calculate mentally, use a jotting, written method).

Use estimation and inverse to check answers to calculations and determine, in the context of a problem, an appropriate degree of accuracy.

Solve addition and subtraction multi-step problems in contexts, deciding which operations and methods to use and why.

English

Genre: Stories with historical settings

Focus Legend: Oliver Twist by Charles Dickens

This week:

- Gunpowder Plot (Monday with supply teacher)
- Identify and label details within an historical setting
- Orally construct and write complex sentences with an *-ing* opener
- Begin reading and explore the selected novel through shared reading. Model how to use punctuation and the meaning of words to inform intonation and expression. Model and use *Book Talk* to deepen comprehension.
