27th November 2020

# Coates Lane Primary School

We have organised an **Online Safety Briefing** for parents on Tuesday 8th December at 5.30pm to help you recognise potential online dangers and how you can support your child with these.

The briefing will be delivered via Zoom and will be an hour.

We know that life is extremely busy at the moment but we think this session will be extremely useful for parents and staff.

Please try to attend if you can.

If you would like to attend the Zoom session, please email Mrs Thompson ([bursar@coateslane.lancs.sch.uk](mailto:bursar@coateslane.lancs.sch.uk)) to confirm this and give her the email address that you would like the Zoom invitation sent to. The zoom invitation will be sent out a few days before the actual session.

## **Food Bank**

Christmas may be a tough time for some families this year. As always we are supporting our local food bank by collecting tins and food to donate.

We would be grateful of any donations sent into school next week to help our local community.

Please send your donations into school with your child and we will put them in the box.

## **Cashless System**

As you are already aware, we are aiming to be a cashless school by the end of 2020.

Please can everyone ensure that you have signed up to Sco-Pay so that you can pay for school items through this.

If you need a reminder of how to do it, please don't hesitate to contact Mrs Wade in the office.

Don't forget to keep an eye on our school website for any updated letters and guidance in relation to Covid-19.
