Remote Learning Framework Action Plan

This was taken from the DFE Remote Learning Guidance and Template.

We have made it into an Action Plan to ensure we are delivering what our children deserve.

<p>Remote education plan:</p> <p>There is a plan in place for remote education and a senior leader with overarching responsibility for the quality and delivery of remote education, including that provision meets expectations for remote education.</p> <p>The plan is underpinned by high expectations to provide the quality delivery of a planned curriculum for all (including vulnerable children and children with SEND), which is aligned as close as possible to the in-school curriculum.</p>	<p>All year groups will email their weekly timetable and work/resources to parents/carers via the home learning email. Work packs will be available for those children that cannot access the internet or do not have any devices at home.</p> <p>All children in school will be taught the same curriculum as the children at home.</p> <p>SEND pupils to be given differentiated work if they cannot access the work the rest of the year group are doing.</p>	<p>To help develop your remote education plan:</p> <p>Phonics Play</p> <p>Numbots</p> <p>Tapestry</p> <p>TTRockstars</p> <p>CenturyTech</p> <p>Activ Learn</p> <p>White Rose Maths</p>
<p>Communication</p> <p>Governors, staff, parents and carers are aware of the school's approach and arrangements for remote education.</p>	<p>All governors, staff, parents and carers are aware of our approach and arrangements for remote learning.</p>	<p>Regular communication and updates are provided with any changes to the provision.</p> <p>Regular phone calls by the TA's to relevant parents.</p> <p>Headteacher calling vulnerable children who don't make contact with school.</p>

		<p>Communication sheet to be filled out by class teachers and returned to SW to analyse weekly.</p> <p>Newsletters and staff briefings sent regularly</p>
<p>Monitoring and evaluating</p> <p>The school has systems in place to monitor the impact of remote education. This includes:</p> <ul style="list-style-type: none"> • understanding the impact on staff workload and how to mitigate against it • staffing changes • having access to appropriate management information (such as staff and pupil sickness and absence data) to help the school respond to changing contexts 	<p>The school has systems in place to monitor the impact of remote education.</p> <p>One teacher in school teaching whilst the TA is supporting the remote learning email. This reduces workload for staff.</p> <p>All staff are aware that they can email/call the SLT if workload is a problem.</p> <p>SLT to be made aware of any staff changes needed.</p>	<p>Rota in place</p> <p>Regular communication with staff</p>

<p>Home environment</p> <p>The school is aware of the learning environment in the home and works with parents and families to understand and ensure that pupils will be able to access education at home.</p> <p>The school supports pupils on how to self-regulate during remote education, including:</p> <ul style="list-style-type: none"> • understanding their strengths and weaknesses to improve their learning • how to learn from home • how to manage their time during periods of isolation 	<p>Coates Lane has adapted our remote education provision depending on pupil's home environment.</p> <p>Pupils who might lack digital access to support the remote education provision will be supported by school by providing them with a laptop and internet access.</p>	<p>Laptops to be supplied to families</p> <p>Data to be supplied to families</p> <p>Regular phone calls in order to support children understand their strengths and weaknesses in order to improve learning</p>
<p>Laptops, tablets and internet access</p> <p>Where digital approaches are used, leaders are aware of any limitations to access to the internet, and suitable devices, for pupils which impact on remote education provision. Leaders have made suitable alternative arrangements to minimise the impact of these limitations, either by providing pupils with devices and/or internet access or ensuring appropriate offline provision where pupils without access are considered vulnerable and are expected to come into school.</p>	<p>School is making suitable alternative arrangements to minimise the impact on remote learning.</p> <p>These will be provided to the pupils that need it.</p>	<p>A list has been created for children that need to loan a laptop</p> <p>A text to be sent to see if any families are needing to loan a laptop and dongle</p> <p>Weekly phone calls by the TA to see if families have suitable devices.</p>

<p>Supporting children with additional needs</p> <p>Children and young people with high needs, including disadvantaged pupils, SEND and vulnerable pupils, have the right structures and provision in place to help remote education.</p> <p>This includes guidance for parents and carers on how to effectively support remote education, and ensuring pupils have access to the right hardware and software to support their needs.</p>	<p>Children with IEP's in mainstream will be receiving differentiated work if they are unable to access the work that has been set for the rest of the class.</p> <p>Children with an EHCP will be encouraged to attend school. If this isn't possible, they will receive a daily 1:1 zoom session.</p>	<p>Oak National Academy provides resources for teachers to support children with additional needs.</p>
<p>Monitoring engagement</p> <p>The school has systems for checking whether pupils are engaging with their work, and informs parents and carers immediately where engagement is a concern.</p>	<p>School checks weekly whether pupils are engaging with their work and will inform parents and carers immediately where engagement is a concern</p> <p>Each year group provides feedback to the children either in person, on zoom or via the home learning emails.</p>	<p>Teachers/TA's to make weekly phone calls to check any concerns around work for any children they are concerned about.</p> <p>Parents are aware they can contact staff in school at any time if need be.</p>

<p>Minimum provision</p> <p>School sets work that is of equivalent length to the core teaching pupils would receive in school in an appropriate range of subjects, and as a minimum:</p> <ul style="list-style-type: none"> • Key stage 1: 3 hours a day, on average, across the school cohort, with less for younger children • Key stage 2: 4 hours a day • Key stages 3 and 4: 5 hours a day 	<p>All pupils in school and at home will receive their appropriate length of lessons and a range of subjects</p>	<p>Staff are aware of remote education expectations from the government</p>
<p>Curriculum planning</p> <p>The school has a clear, well-sequenced curriculum that supports pupils both in class and remotely.</p> <p>This could include a remote curriculum that is identical to the one taught in class, one that is similar but adapted or one that is completely different.</p>	<p>School has a clear, well sequenced curriculum for pupils in class and those working remotely.</p> <p>The remote curriculum is very similar to the one taught in class</p>	<p>Phonics Play</p> <p>Numbots</p> <p>Tapestry</p> <p>TTRockstars</p> <p>CenturyTech</p> <p>Activ Learn</p> <p>White Rose Maths</p>
<p>Curriculum delivery</p> <p>The school has a system in place to support remote education, using curriculum-aligned resources.</p>	<p>The school has a good system in place to support our remote learning.</p>	<p>Using our Lancashire Theme Booklets/Curriculum helps us to provide resources and guidance on how to map resources to a school's existing curriculum.</p>

<p>Where remote education is taking place, it should include recorded or live, direct teaching time from the school or other educational providers (such as Oak National Academy), and time given for pupils to complete tasks and assignments independently.</p> <p>The school uses a digital platform to support effective communication and accessibility for all pupils, including those with SEND.</p>	<p>Our remote learning includes recorded lessons, live lessons via Zoom and time for children to complete the tasks.</p> <p>School is using their own systems to support effective communication and accessibility for all pupils.</p>	<p>Daily live lessons via Zoom (Years 2-6)</p> <p>Recorded lessons (Reception and Year 1)</p> <p>White Rose Maths video's</p> <p>Story time by our teachers</p> <p>Weekly Zoom assemblies for the whole School</p> <p>Weekly PE sessions via zoom with our PE coach</p>
<p>Assessment and feedback</p> <p>The school has a plan in place to gauge how well all pupils are progressing through the curriculum using questions and other suitable tasks.</p> <p>The school provides feedback, at least weekly, using digitally-facilitated or whole-class feedback where appropriate.</p>	<p>The school has a good plan in place to gauge how well all pupils are progressing. The school provides feedback, at least weekly using individual email responses, written feedback on pupils' work or whole class feedback during live lessons.</p>	<p>Phone calls and emails – feedback to parents</p> <p>Written feedback to children through marking their work packs/jotters</p>

<p>Effective practice</p> <p>Senior leaders are aware of all the guidance and ensure wider teaching/school staff are</p>	<p>Teaching staff are aware of resources available to support remote learning</p>

<p>aware of (and how to access) resources available to support remote teaching.</p>		<p>GOV.UK provides a good practice guide to support schools in their delivery of remote education.</p>
<p>Staff capability</p> <p>Staff have access to the digital resources and tools (for example, textbooks, workbooks, platforms, devices and internet) they need to teach and support pupils remotely.</p> <p>Where used, staff have the appropriate training and support to use digital tools and resources, including how to ensure they are accessible for pupils with SEND.</p> <p>Where possible, the training provided is sustained and iterative to ensure staff continue to support effective teaching practice remotely.</p>	<p>Staff have access to the digital resources and tools that we need to teach and support pupils remotely.</p> <p>Staff have had some training in order to support the use of digital tools and resources.</p> <p>Staff who feel confident are able to use digital resources e.g. Century Tech</p>	

<p>Strategic partnerships</p> <p>The school is sharing best practice and making best use of capacity across schools to address any known gaps.</p>	<p>The SLT are sharing best practice with other schools in the area and working together collaboratively.</p>	
<p>Realistic expectations of pupils, parents and carers</p> <p>Parents and carers have clear guidance on how to support pupils at home, and how this is aligned to the remote education information required to be published on the school's website.</p> <p>Pupils understand the expectations on how many hours they should be learning and how to participate in remote education (for example, how to submit assignments).</p>	<p>Parents and carers have clear guidance on how to support pupils at home. Those that struggle are able to contact school at any time or tell the TA when they call.</p> <p>Information regarding remote learning can be found on the school website</p> <p>Children understand how they can participate in remote learning.</p> <p>Class teachers to inform pupils on the expectations on how many hours they should be learning.</p>	<p>Calls home</p> <p>School website to be updated regularly.</p> <p>Office staff to pass on any messages to class teachers.</p> <p>Social Media used to update families</p>
<p>School community events</p> <p>Pupils are given regular opportunities to attend and participate in shared, interactive lessons and activities to maintain a sense of community and belonging, especially disadvantaged and SEND pupils.</p>	<p>Weekly whole school assemblies</p> <p>Whole school challenges to be set to engage everyone</p>	

	Some classes are holding zoom sessions just for an opportunity to have a hot chocolate and a wellbeing catch up.	
<p>Ensuring safety</p> <p>There are clear safeguarding protocols in place to ensure pupils are safe during remote education. It is essential to have and communicate clear reporting routes so that children, teachers, parents and carers can raise any safeguarding concerns in relation to remote education.</p>	<p>Parents and carers are able to raise any safeguarding concerns at any time.</p> <p>School has clear safeguarding protocols in place to ensure pupils are safe.</p> <p>School has clear reporting routes so that children, teachers, parents and carers can raise any safeguarding concerns.</p>	<p>Weekly phone calls</p> <p>Calls to the office</p> <p>Good communication with staff in school</p>
<p>Online safety</p> <p>If the school chooses to provide remote education using live streaming and pre-recorded videos, teachers understand how to keep children safe whilst they are online.</p>	Online safety has been taught in school	
<p>Wellbeing</p> <p>Leaders, teachers and pupils are aware of how to spot potential wellbeing or mental health issues and how to respond.</p>	<p>Staff are aware of potential wellbeing problems. They are aware to let the class teacher or SLT</p>	<p>Phone calls home</p> <p>Good communication</p>

<p>There are regular catch ups with pupils, one to one particularly for those that are most vulnerable.</p>	<p>know if there are any problems around wellbeing or mental health.</p> <p>Weekly phone calls home to the parents of children who have not interacted with school at all.</p>	<p>SLT to call the most vulnerable once a week as well as the TA</p>
<p>Data management</p> <p>The school has appropriate data management systems in place which comply with the General Data Protection Regulation (GDPR).</p>		
<p>Behaviour and attitude</p> <p>There are clear rules for behaviour during remote lessons and activities. Pupils know them and teachers monitor and enforce them.</p>	<p>Same rules apply as when we teach the children in school. Staff to make parents aware about any inappropriate behaviour.</p> <p>Behaviour Policy has an addendum in place that has been provided by Lancashire County Council</p>
