Dear Parents/Carers,

I wrote to you on the 22nd January to thank you for the amazing work you were doing with the home learning as well as reassuring you that the best you were giving was absolutely good enough. I know it's been a long 7 weeks. I can't deny that I'll be happy for my own children to return to full time education as well.

I would like to take this opportunity to thank you deeply for your ongoing support and understanding this term. It has certainly been a challenge for every member of our school community: children, staff and parents/carers but we've got through it together!

We cannot wait to see every single pupil back in school on Monday; hearing the chattering in the classrooms and the laughter on the playground.

I know that you will have mixed emotions on Monday; you'll probably miss having your children around (and we are sure that they will miss you too!) but you will also be glad for some peace and quiet 😊

When you drop off at school on Monday, we've got a little present for you so keep an eye out and know that as a community we will continue to work together for the best for your children.

My very best wishes,

Mrs White
