## Newsletter – 10<sup>th</sup> November 2023

### Headteacher's Message

This week, we have been looking at the theme of Remembrance in school. Every child in school has made a poppy and each class had a different aspect of Remembrance to study. We have also received so many photos and stories of children who have family members who have either previously served in the armed forces, or are currently serving, and these have formed a wonderful display in our main entrance. Please come and take a look at it in the next few days. Thank you Miss Thompson for pulling it all together 😊

Last week, we studied Black History Month and each class had an inspirational person to study. The children across school were able to talk confidently about the person they studied and, again, a lovely display of learning has been created in our main entrance.

Last Tuesday, we enjoyed our Halloween Dress Up day in school. The children all looked fantastic in their costumes and we raised an amazing £117 for Pendleside Hospice. Staff from Pendleside Hospice will visit school on Monday to receive the cheque in assembly and they will also lead part of the assembly to talk about the excellent work we do.

Some of our Year 1 and Year 2 children attended a Multiskills event earlier this week. They represented school with excellence and thoroughly enjoyed their first opportunity to represent school.

On Monday 13<sup>th</sup> November, we will be holding our first parents evening of the school year. If you haven't yet made an appointment, please go online using the link sent out this week.

Today, we held a 2 minutes silence in school for Remembrance Day and this was impeccably observed by everyone at Coates Lane.

Thank you, as always, for your continued support.

### Remembrance Event – Sunday 12<sup>th</sup> November

This Sunday, there is a Remembrance event taking place in town, starting at 3:00pm. Isla and Walter, our Head Girl and Head Boy, will be laying a wreath on behalf of the school. If any other children and families can attend, please accompany your child to, from and during the event, and it would be lovely if children could wear their school uniform.

### Interim Report Cards

Your child has brought their interim report card home today, which gives a brief update on how they are doing in class in the key areas of Maths and English, as well as their behaviour for learning.

This report card is purely intended as a brief update, which can then be discussed further at parents consultation meetings next Monday.

You will receive interim report cards today and again near Easter. In the summer term 2023, you will then receive a comprehensive end of school year report.
