

SHOE GUIDE

COATES LANE PRIMARY SCHOOL

JULY 2024

School shoes and PE footwear must be black or brown only. Shoes can be slip-on, buckled or lace-up. Younger children may find Velcro fastenings easier.

We do not allow shoes with open toes, wedge or high heels, flashing lights, Ugg boots, crocs, trainers, boots or shoes with extra decorations on them.

When buying school shoes, please use the table below as a guide. Shoes must not be 'trainer-style' and must not have sports logos on them, even if the logos are black/brown. 'School shoe style' footwear may have certain logos, for example Kickers, as long as the shoes are in the correct style. If buying from a sports retailer (e.g. Sports Direct), ensure that the description says 'shoes' and not 'trainers'.
