

Home Learning 9th January 2025

A huge well done if you have completed any of the home learning set so far. Please see an outline of the learning for today below. All the activities are on the Year 5 webpage.

Maths:

Multiplying by 10, 100 and 1000. Work through the PowerPoint and then have a go at the worksheet.

English:

To recap the learning that we have covered on modal verbs, have a go at the modal verb worksheet.

Reading – Have a read of the Narwhal text and then have a go at the retrieval and word meaning questions.

Following this, could you have a go at researching an animal that lives in the ocean and then create your own non-chronological report or fascinating facts page?

History:

Our next history topic is going to be about the Mayans. Without completing any research, write down anything that you already know about the Mayans. Next, write some questions about what you would like to find out.

NASA's Eyes

Experience Earth, our solar system, nearby asteroids, the universe, and the spacecraft exploring them with immersive real-time 3D web-based apps. Click on the link below 😊
